## SOFTWARE DEVELOPER

22 Joranda Nuasahi, Dhenkanal | +91 7751872927 | ansumanb556@gmail.com

### PROFILE SUMMARY

**MCA** postgraduate (pursuing) with strong skills in *C, C#, Java, Python, SQL*, and web technologies. Certified in **API testing**, Java, and **AI tools** with hands-on project experience in database management, scalability, and optimization. Detail-oriented, quick learner, and passionate about applying technical expertise to solve real-world problems.

### TECHNICAL SKILLS

Programming Languages:	Web Technologies:	Databases:
<b>C, C++, C#, Python, Java</b>	<b>HTML, CSS, JavaScript</b>	<b>MySQL, SQL</b>

### PROFESSIONAL EXPERIENCE

**INTERGLOBE AVIATION LTD, BHUBANESWAR** **June 2023 - February 2024**

- Managed time-sensitive airport operations with strict deadlines.
- Strengthened problem-solving, adaptability, and collaboration in high-pressure environments.
- Coordinated with teams to ensure compliance and operational efficiency.

### EDUCATION

**Master of Computer Applications (MCA)** **Expected 2026**

- Siksha ‘O’ Anusandhan (SOA, ITER), Bhubaneswar | Pursuing

**Bachelor of Science (B.Sc. – Chemistry)** **2022**

- Utkal University, Bhubaneswar | 86%

**CHSE, Odisha (Higher Secondary) | 65%** **2019**

**BSE, Odisha (Secondary) | 84%** **2017**

### ACADEMIC & TECHNICAL PROJECTS

**Student Management System (C++, MySQL)**

- Built a CRUD-based application for student record management. Optimized database queries to ensure efficiency and data integrity.

**Online Quiz Application (Python, HTML, CSS, JavaScript)**

- Developed a web-based quiz system with login and score tracking. Integrated backend in Python with front-end web technologies.

**Library Management System (Java, SQL)**

- Designed a Java-based system for book inventory and fine management. Implemented SQL database integration ensuring scalability.

## FreshCart (MERN Stack Project)

- As both a Database Developer and Backend Developer for the FreshCart project, I played a pivotal role in designing and optimizing database schemas, developing efficient queries, and ensuring robust data management practices.
- Additionally, I contributed to the backend development, enhancing the overall functionality and performance of the e-commerce platform. My efforts were instrumental in facilitating seamless e-commerce functionality.

## ACHIEVEMENTS & CERTIFICATIONS

1. Post Graduate Diploma in Computer Applications (**PGDCA**)
  2. **Postman** Student Expert Certification
  3. Java Bootcamp – **Let's Upgrade**
  4. AI Tools & ChatGPT Workshop – **Be10x**
  5. Java Foundation, Data Structures, and Algorithms – **Infosys Springboard**
- Acknowledged for exceptional **time management** and **problem-solving skills**
